

Allowable Subject Matter

1. Claims 87-92 are allowed over prior art.
2. The following is an examiner's statement of reasons for allowance: Although the newly cited prior art discloses managing and monitoring billing data in a communication environment wherein the architecture includes servers associated with collection and logging of billing data information, the prior art fail to teach logging or collecting in a wireless device packet data, and when packet data is to be sent over the network, logging/collecting in the wireless device, the amount of data to be sent and transmitting wireless device to a server to be accumulated.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Prenell P. Jones whose telephone number is 571-272-3180. The examiner can normally be reached on 9:00-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor Wing Chan can be reached on 571-272-7493. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Art Unit: 2619

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
